

I support media diversity

I am writing this letter to ask the FCC to keep the current mediaownership rules as they currently stand. A free and diverse press is the most crucial aspect of democracy. Citizens in a democracy can not make informed policy decisions if the views in the press are limited to those of a handful of self interested media corporations. I urge you to at least take more time to hold official public hearings in communities throughout the nation. I am convinced that you will find an overwhelming majority of U.S. citizens will oppose the proposed media ownership changes.

The public interest will best be served by preserving media ownership rules in question in this proceeding. It is your responsibility to keep our media diverse and our democracy strong.

Thank you,

Nancy Larson
